Stanya Kahn's 'Don't Go Back to Sleep' at Weiss Berlin

Weiss Berlin presents artist Stanya Kahn's "Don't Go Back To Sleep" which will run from November 11th to December 23rd, 2016 in Berlin. Her art is in the permanent collections of the Museum of Modern Art, NY, the Hammer Museum, LA and the Goetz Collection, Munich.

The American-born Stanya is an acclaimed video artist. She is known to employ humor as a primal device, by combining storytelling with visceral performances, fading the lines between the fictional and the real to display how language is born out of trauma. Her characters are modern day flaneurs, staying true to a physical or linguistic *dérive* that takes the viewer through narratives of death, suffering, family, as well as the ethics of civic and ecological responsibility.
